¹ Ownership history is sourced mainly from Lloyds Registry and only records dating back to 1980 have been listed here. The date in parenthesis is the date on which the ownership was reported to have come into effect. The latest reported owner is underlined. However, this information may not necessarily be current or correct.

² China advised that the vessels participated in IUU activity prior to China becoming a Contracting Party and that it was not the Flag State at the time that the vessels were included on the IUU Vessel List.

³ Currently owned by the Government of Australia.

* Names and/or flags which have changed since 2006 are marked with * in the 'current name' and 'current flag' columns.
