Scientific Committee

45. The chairman of the Scientific Committee, Dr Sahrhage, reported orally to the Commission on the results of the first meeting of the Scientific Committee. It was agreed that the written report and its attachment dealing with informal discussions held by members of the Scientific Committee should be distributed to the Commission members.

46. The Scientific Committee meeting was conducted using temporary Rules of Procedure. The Chairman of the Commission was asked to coordinate consultations in the inter-sessions period with the object of getting agreement to Rules of Procedure for the Scientific Committee before its next meeting.
