

## Report of the Scientific Committee

32. The Commission received the Report of the 1984 Meeting of the Scientific Committee including its proposals for the 1985 Budget. The Report is published separately.

33. The Chairman of the Scientific Committee drew the Commission's attention to the fact that Dr Gulland, who had represented the FAO at all meetings of the Commission, would soon retire. The Commission recorded its appreciation of the contribution that Dr Gulland had made and the importance which was attached to close cooperation with FAO.
