

Abstract

This document presents the adopted record of the Seventh Meeting of the Commission for the Conservation of Antarctic Marine Living Resources held in Hobart, Australia, 1988. Major topics discussed at this meeting include: financial administration, assessment and avoidance of incidental mortality of Antarctic marine living resources, review of the report of the Scientific Committee, review of existing Conservation Measures and adoption of new Conservation Measures, establishment of a system of observation and inspection, compliance with Conservation Measures in force, development of a conservation strategy for Antarctic marine living resources, and co-operation with other international organisations including the Antarctic Treaty System. The reports of the Standing Committee on Administration and Finance and the Standing Committee on Observation and Inspection are appended.
