

Abstract

This document presents the adopted record of the Eighth Meeting of the Commission for the Conservation of Antarctic Marine Living Resources held in Hobart, Australia from 6 to 17 November 1989. Major topics discussed at this meeting include: assessment and avoidance of incidental mortality of Antarctic marine living resources, review of the report of the Scientific Committee, review of existing Conservation Measures and adoption of new Conservation Measures, establishment of a system of observation and inspection, compliance with Conservation Measures in force, development of a conservation strategy for Antarctic marine living resources, and cooperation with other international organisations including the Antarctic Treaty System. The reports of the Standing Committee on Administration and Finance, the Working Group for the Development of Approaches to Conservation of Antarctic Marine Living Resources and the Standing Committee on Observation and Inspection are appended.
