

**RESOLUTION 15/XIX**  
**Use of Ports not Implementing the**  
**Catch Documentation Scheme for *Dissostichus* spp.**

The Commission,

Noting that a number of Acceding States and non-Contracting Parties not participating in the Catch Documentation Scheme for *Dissostichus* spp., as set out in Conservation Measure 170/XX, continue to trade in *Dissostichus* spp.; and

Recognising that these Acceding States and non-Contracting Parties thus do not participate in the landing procedures for *Dissostichus* spp. accompanied by *Dissostichus* Catch Documents;

urges Contracting Parties,

1. Where they are unable to provide an authorised Flag State official(s) to monitor a landing for the purposes of validating *Dissostichus* Catch Documents, to discourage their flag vessels authorised to fish for *Dissostichus* spp. from using ports of Acceding States and non-Contracting Parties which are not implementing the Catch Document Scheme for *Dissostichus* spp.
2. To attach to the authorisation to fish a list of all Acceding States and non-Contracting Parties that are implementing the Catch Documentation Scheme.
