

CONSERVATION MEASURE 113/XV
New Fishery for *Dissostichus eleginoides* and *D. mawsoni*
in Statistical Division 58.4.3 in the 1996/97 Season

The Commission,

Welcoming the notification of Australia and South Africa of their intention to conduct new fisheries in Statistical Division 58.4.3 for *Dissostichus eleginoides* and *D. mawsoni* in the 1996/97 season,

adopts the following Conservation Measure in accordance with Conservation Measure 31/X:

1. Fishing for *Dissostichus eleginoides* and *D. mawsoni* in Statistical Division 58.4.3 shall be limited to the new fisheries by Australia and South Africa.
2. Fishing shall cease in Statistical Division 58.4.3 if the commercial potential is demonstrated in accordance with the definition given in Conservation Measure 112/XV, paragraph 3.
3. For the purposes of these new fisheries, the fishing season for longlining is defined as the period from 1 March 1997 until 31 August 1997. The fishing season for trawling commences on 2 November 1996 and ends on 31 August 1997.
4. The directed fisheries for the above species shall be carried out in accordance with Conservation Measures 112/XV and 117/XV.
